A Data Universal Numbering System (DUNS) number is now required on all federal applications and may be obtained by calling Dun & Bradstreet at 1-866-705-5711. Your DUNS number must be included in the address block (#5) of your application (SF-424).

The application kit (including instructions) is available through the internet at <http://www.epa.gov/region09/funding/applying.html>. If you require a hard copy of the application kit, please contact the Grant Assistant at 415-972-3723. Please check that the "R9 Tracking #" (located in the upper-right hand corner of this guidance letter) is reflected on the upper-right hand corner of the application (SF-424). The **original and one copy of your application and DRAFT / FINAL workplan** must be submitted to the address below:

Grants Management Office (PMD-7)
Policy and Management Division
U.S. EPA, Region 9
75 Hawthorne Street
San Francisco, CA 94105

Please obtain a copy of the Code of Federal Regulations (CFR), Title 40, Parts 1-49, and the Office of Management and Budget (OMB) Circulars, which are applicable to your grant or cooperative agreement, at your local U.S. Government Bookstore, or from the U.S. Government Printing Office at (202) 512-1800, or through the internet at <http://www.epa.gov/region9/funding>

Questions regarding the application or administrative/fiscal matters should be referred to Cynthia Lee of the Grants Management Office, at (415) 972-3201. Please call me at (415) 972-3448 regarding programmatic questions (e.g. development of workplan).

Sincerely,

Peter Kozelka
EPA Project Officer
